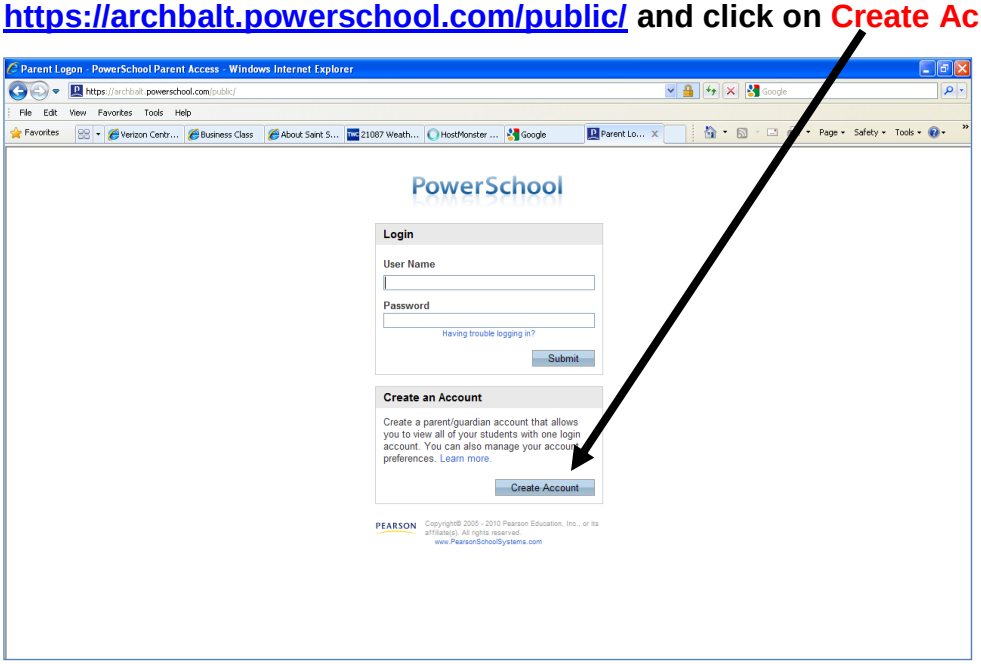
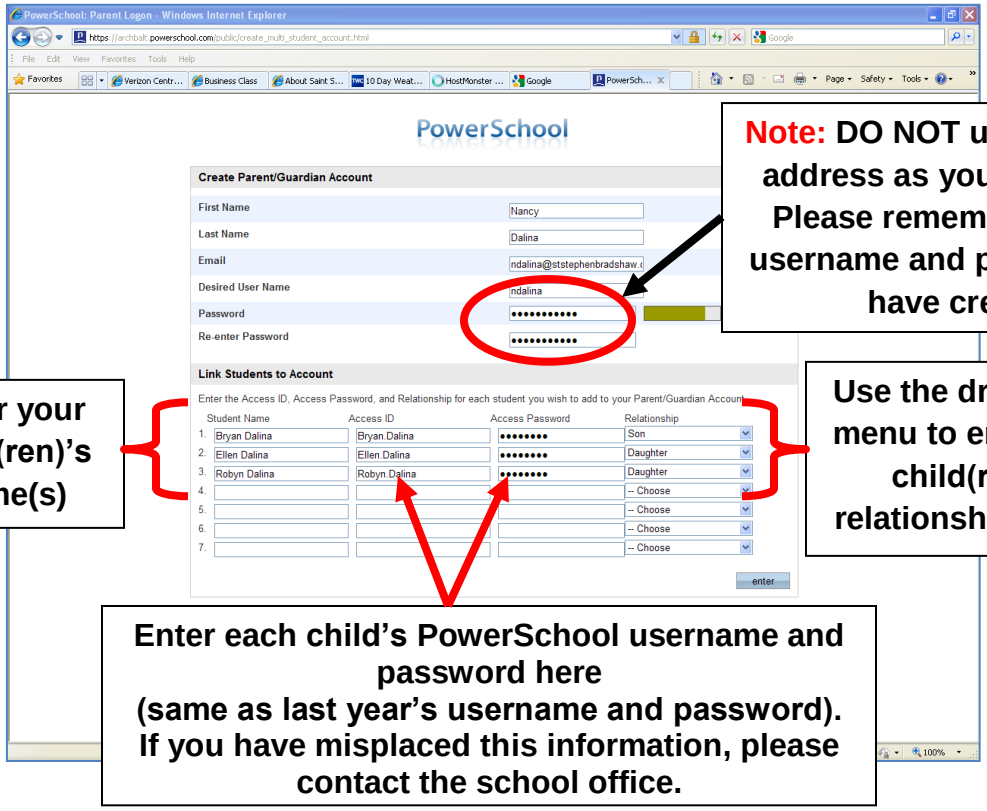
How to Create a Parent Access Account in PowerSchool

*****All families must create at least one account*****

1. **Go to https://archbalt.powerschool.com/public/ and click on Create Account**



2. **Enter your family information:**



Note: DO NOT use your email address as your username. Please remember the new username and password you have created.

Enter your child(ren)'s name(s)

Use the drop down menu to enter your child(ren)'s relationship to you

Enter each child's PowerSchool username and password here (same as last year's username and password). If you have misplaced this information, please contact the school office.

3. **Click enter to create your account**
