Principal's Corner:

Welcome Back! It is time to focus on the beginning of a wonderful new school year at St. Stephen School! I have heard of the many holiday trips and happy events that took place over the summer so I am looking forward to catching up with everyone and hearing more!

The school has been cleaned and the floors waxed. The front parking lot is presently under construction to alleviate the drainage problem next to the building, and the Hall windows have been replaced. So Mr. Charlie and Mr. Bob have been busy all summer, even in this heat! Our teachers will be attending a conference on Monday, August 23rd on Differentiated Instruction. On Tuesday, August 24th we will be delighted to greet our parents and students at our Sneak-a-Peek Open House from 8:00-12:15.

God Bless you and have a wonderful school year,

Mary Patrick
