

Saint Stephen School Tuition & Fees for 2011-2012

A fifty dollar non-refundable fee (\$50.00) for each family is charged at the time of registration. Tuition assistance is available to parents who are registered participating members of St. Stephen Church. There is a one year waiting period before a new family in the parish becomes eligible for tuition assistance. A Parent Financial Aide form must be picked up at the school office completed and mailed to **TADS** by March 1st in order to be eligible for Parish grants. Parish grants for tuition assistance will be awarded no later than April 15th. Registration of your child/children for classes at St. Stephen School creates a contract of trust that you are planning to send your child/children to St. Stephen for the year. After registration is complete, we notify families on the waiting list of the availability of openings. Once these families are contacted, they usually make other arrangements if we cannot accommodate them. The school board has published this policy in an effort to maintain full enrollment and to be fair to the families currently fulfilling their moral and financial obligations.

Tuition payments are collected by [SMARTTUITION](#). Monthly payments begin May 1st. If you decide to enroll your child/children in another school or home school, the tuition you have paid will not be refunded unless we are able to fill your opening with another child.
